

MRIC Executive Report Card Summary-9/30/2019

Single Source Investment Provider: MRIC selected a Fee-only advisor for its ability to provide independent advice for Mutual Fund Portfolios and access to all available mutual funds at the lowest share class pricing available, hence the "Single Source" title.

Core Investment Providers: Fee-based, salaried, and/or commissioned representatives were selected by MRIC to provide more on-site services to participants. The Core Investment Providers offer a selected list of Managed Mutual Fund Portfolios, Annuities, and Individual Mutual Funds.

	Single Source Provider		Core Providers

Note 1. Managed portfolios are diversified long-term investment strategies with an advisor who oversees the portfolio. Consider your risk tolerance goals when choosing a managed portfolio.

Note 2. Participants invested in the Annuity platform are advised to consider the benefits of an Annuity investment in accordance with their goals and risk tolerance. Participants selecting the Annuity should read the Annuity product information or prospectus for a full understanding of the costs, return guarantees, and the claims-paying ability of the issuing Annuity company, associated with variable and fixed annuities.

Note 3. Participants utilizing this self-directed mutual fund platform are advised to consider the benefits of constructing a well-diversified portfolio in accordance with their goals and risk tolerance. Participants selecting this option should be satisfied that they alone or with professional guidance possess adequate levels of investment knowledge and experience to make choices that are appropriate for their particular circumstances.

Note 4. Returns are based on an equal weighted average of all mutual funds offered on the Investment Provider's Mutual Fund platform as of 9/30/2019.

Please see the MRIC website <https://www.mriconsortium.org/> under the "Resources" link for full details of product, fee, and performance disclosures.
